How to Purchase an Adafruit Gift Certificate

Some Quick Facts About Adafruit Gift Certificates:

- They are transmitted electronically via email.
- We are unable to send gift certificates on specified dates and times. As soon as you place the order, we will send it to the recipient.
- Adafruit Gift Certificates do not expire.

Check out all of the gift certificates we offer [here \(https://adafru.it/dKO\)](https://adafru.it/dKO)!

We sell Gift Certificates in the following increments:

[\\$100 Gift certificate \(http://adafru.it/32\)](http://adafru.it/32)

[\\$50 Gift certificate \(http://adafru.it/31\)](http://adafru.it/31)

[\\$20 Gift certificate \(http://adafru.it/30\)](http://adafru.it/30)

[\\$1 Gift Certificate \(http://adafru.it/141\)](http://adafru.it/141)

Select the gift certificate you would like to purchase and add it to your cart.

If you would like a gift certificate for a different amount than listed, purchase a combination of gift certificates that add up to the desired amount.

For example, to purchase a gift certificate for \$25:

- Select a quantity of 1 \$20 Gift certificates and add it to your cart.
- Next, select a quantity of 5 \$1 Gift Certificates and add it to your cart.

Please note that we will combine the amount and send it as a single Gift Certificate to the recipient. To order more than one gift certificate to different recipients, please place separate orders on the site.

How to Redeem and Use an Adafruit Gift Certificate

To: Lucy Cat

Happy Birthday!

The Gift Certificate is worth \$7.00

To redeem this Gift Certificate, please click on the link below. Please also write down the Redemption Code which is [REDACTED] in case you have any problems.

https://www.adafruit.com/index.php?main_page=gv_redeem&gv_no=cfe9058fc4

or visit <https://www.adafruit.com/> and enter the code during the checkout process

Adafruit transmits all gift certificates via email in the format of the sample shown above.

If you receive an Adafruit Gift Certificate to your inbox, there are two ways to redeem it.

1. Click and follow the link in the email sent to you.
2. Redeem the gift certificate using the code included in the email.

Details below!

Click and follow the link in the email sent to you.

This will take you to the store's Redeem Gift Certificate page. You will then be requested to create an account. You must create an account before the Gift Certificate can be validated. Once the account is created, the GC will be placed in your Account ready for you to spend it on whatever you want.

Redeem Gift Certificate

Congratulations, you have redeemed a Gift Certificate worth \$7.00.

For more information regarding Gift Certificate, please see our [Gift Certificate FAQ](#).

[← BACK TO MANAGE GIFT CERTIFICATES](#)

Please note that in order to use a Gift Certificate, Adafruit Customers must create an Account on Adafruit.com. Gift Certificates can't be used during Guest Checkout.

Redeem the gift certificate during checkout using the code included in the email.

During **Step 1** of the checkout process, there will be a box to enter a gift certificate or discount code. Enter the Code there and click Apply. The code will be validated and the amount added to your Gift Certificate Account. You can then use the amount to purchase any item from our store.

ENTER GIFT CERTIFICATE OR DISCOUNT CODE

If the gift certificate has been successfully redeemed to your account, the amount will appear during **Step 4** of the checkout process, Payment Information.

YOU HAVE A GIFT CERTIFICATE!

Please type the amount you wish to apply in the box that says 'Apply Amount'.

APPLY AMOUNT:

Available balance: \$7.00

SAVE AND CONTINUE >

Please select **SAVE AND CONTINUE** and the amount will be applied to your order.

If you wish to use the gift certificate at another time, please change the amount in the box to the amount **0.00**.

Please note, you will still have to select another payment method if there is not enough in your Gift Certificate Account to cover the cost of your purchase. If you have more funds in your Gift Certificate Account than the total cost of your purchase the balance will be left in your Gift Certificate Account for the future.

How to Send a Gift Certificate

Please follow these steps if you would like to send all or part of your Adafruit Gift Certificate to someone else from your Account!

Please log in to you Adafruit account and click on the "My Account" tab in the upper right corner.

On your account page, select "Manage Gift Certificates."

Your Account
