How To Create A Wishlist

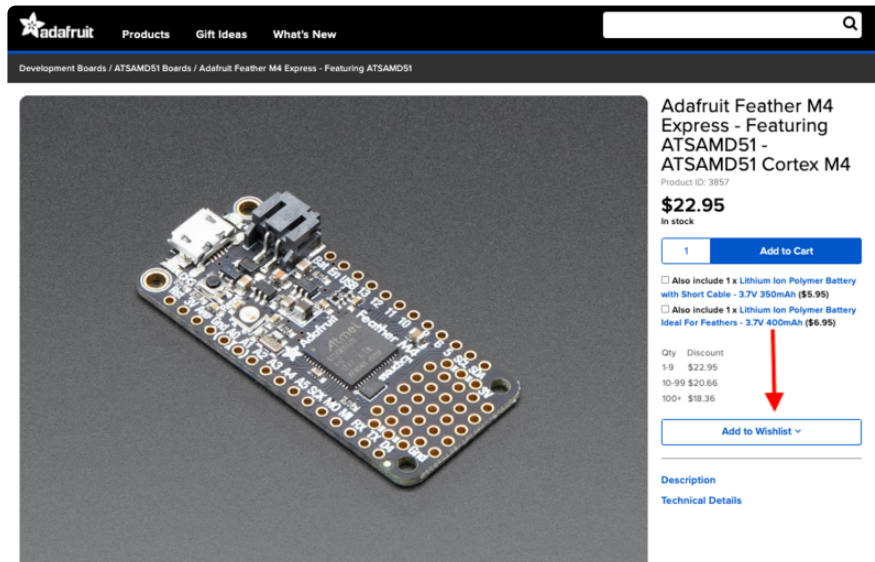

Want to create a quote for your business/school? Share your birthday wishlist with friends? Or just want to keep track of products you're interested in? You can use Adafruit's wishlist tool to do all three.

To create a wishlist sign up for and sign into your adafruit account.

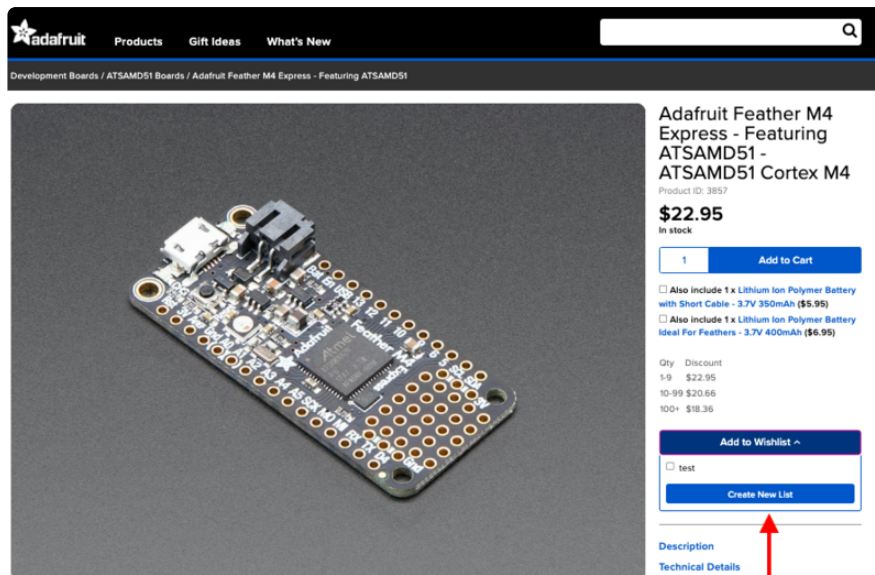

The screenshot shows the Adafruit website's sign-up page. At the top, there's a navigation bar with links: Shop, Learn, Blog, Forums, LIVE!, AdaBox, and IO. On the right, there are links for Sign In and a shopping cart icon. Below the navigation bar is the Adafruit logo. The main content area is titled "SIGN UP" and includes a sub-header: "The best way to shop with Adafruit is to create an account which allows you to shop faster, track the status of your current orders, review your previous orders and take advantage of our other member benefits." The form fields are: FIRST NAME, LAST NAME, EMAIL, USERNAME, and PASSWORD. Below the USERNAME field, there's a note: "Username is viewable to the public on the forums, Adafruit IO, and elsewhere." At the bottom of the form, there are two buttons: "CREATE ACCOUNT" and "SIGN IN".

To add items to your Wishlist go to the product page and click the "Add to Wishlist" button (NOT add to cart).

Then select which of your current wishlists you would like to add the product to or create a new wishlist by clicking on "Create New List"

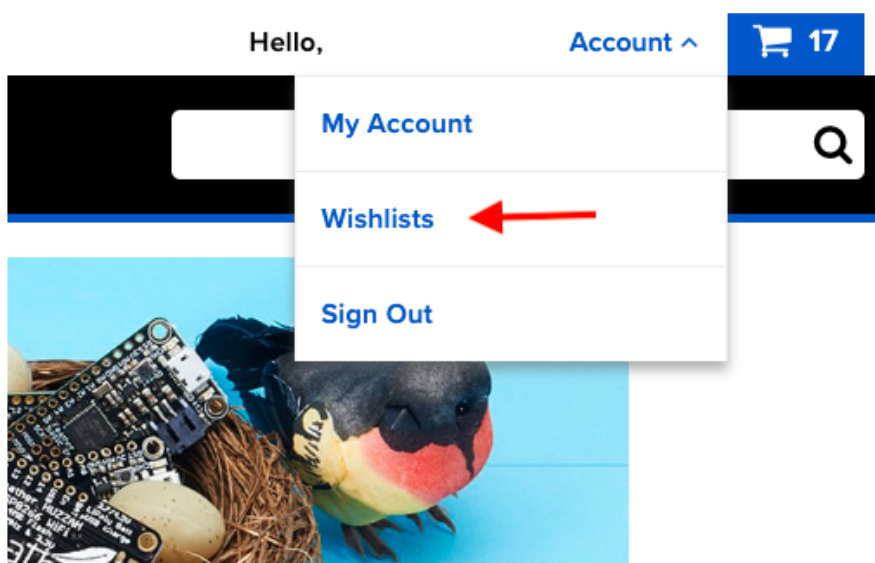

By checking the box next to the wishlist, that product is automatically saved to that wishlist!

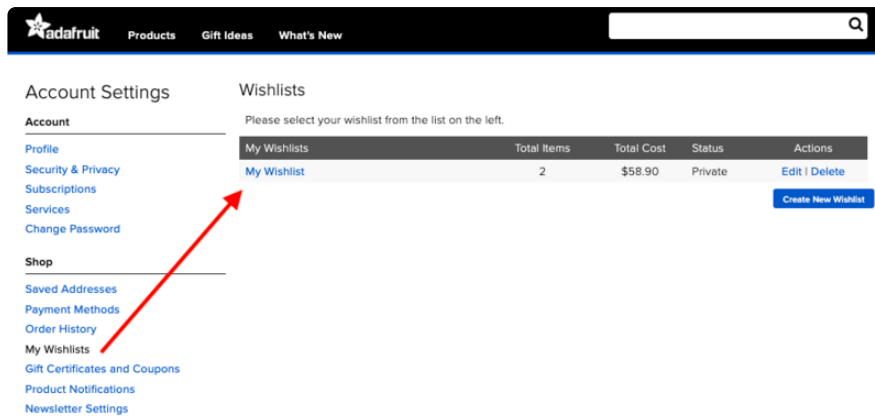

Wishlist Tools

Access Wishlist

After adding all the items that you need to your wishlist, access your wishlists by clicking the "Wishlist" button in the top right corner of your screen.

Then select the Wishlist that you wish to look at or alter.

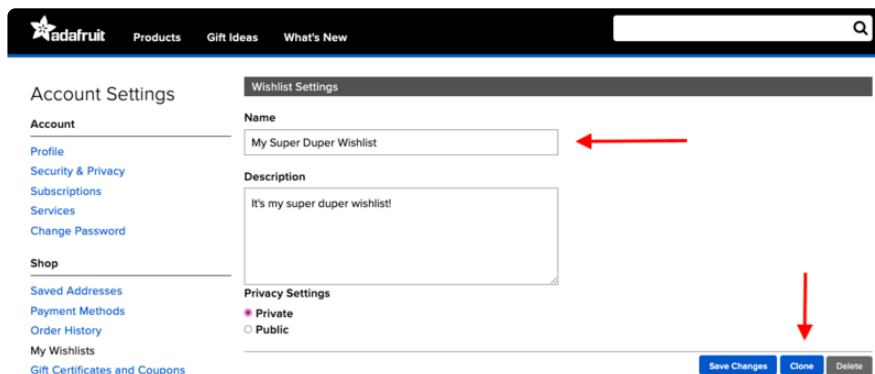

Now that you selected a wishlist you can edit it, share it, duplicate it, get a quote or add it to your cart to purchase!

Duplicate The Wishlist

Want two wishlists with many of the same items? Click on "clone". Rename the Wishlist then click "save". Now you can edit the wishlist by adding and deleting items without needing to create it completely from scratch.

Simply click on "Clone". The duplicated wishlist will be titled "My Super Duper Wishlist". You can rename the duplicated wishlist to whatever you like!

Share The Wishlist

If you would like to share the wishlist click on Public and press "Save Changes". This will generate a shareable link. Whoever you share the link with will be able to see your wishlist!

Edit The Wishlist

Want more than one of each product in the wishlist? Go ahead and change it! You can increase or decrease the quantity or completely delete items on this page.

Wishlist Contents				
Item	Price	Qty	Remove	
 Adafruit PyPortal - CircuitPython Powered Internet Display PID: 4116	\$109.90	2		<div>Add to Cart</div>
 Adafruit Swirly Aluminum Mounting Grid for 0.1" Spaced PCBs - 5x5 --- 5x5 --- PID: 5779	\$7.90	2		<div>Add to Cart</div>
				<div>Wishlist Total</div> <div>\$117.80</div>
				<div>Shopping Cart Total</div> <div>\$345.15</div>
				<div>Combined Total</div> <div>\$462.95</div>
				<div>Add All to Cart</div> <div>Get Quote</div>

Add Wishlist To Cart

Once you are ready to purchase the items on your wishlist simply click "Add Items To Cart".

You can add the whole wishlist or select specific items!

Wishlist Contents
