Enter in 10013 as the ZIP code. All orders are shipped from that ZIP code from the Adafruit Warehouse in NYC (New York, New York - United States).

Select, Shipped from this ZIP code and click Submit.

The map below will show you how long your order will take to be delivered to your region from Adafruit via UPS ground (see image below).

For example, if you are located in Southern California, your order will take about 4 business days to arrive. If you're in the Northeastern United States, it can be 1-2 business days depending on your location.

Don't forget if your order is \$200 or more and you're in the continental USA you get FREE UPS ground shipping! Reliable and fast.
